

# Holden Municipal Light Department

## Residential Service Rate

MDPU # 120

Replaces MDPU # 110

Effective: January 1, 2011

### AVAILABILITY

Electricity is available under this schedule for all residential purposes in an individual residence or an individual apartment. Electricity is also available hereunder for church and farm use as specified below

The Department may permit more than one residence or apartment to be served through one (1) meter under this schedule. In such case, the kilowatt-hours in each block and the minimum charge shall be multiplied by the number of residences or apartments connected to each meter.

A church and adjacent buildings owned and operated by the church may be served under this rate. Each separate building shall be metered individually.

Electricity for farm use is available under this schedule under the following conditions.

1. The Department will provide one service and one meter and all farm circuits will be connected to this service.
2. No farm circuits can be attached to Department poles except as specified in the Department's Street Crossing Policy.

Service under this schedule is not available for X-ray or welding equipment or for resale.

### COST OF SERVICE

The monthly charges for service shall be:

Customer Charge: \$5.00 per month.

Energy Charge: \$0.14727 per kWh

### PROMPT PAYMENT DISCOUNT

The above prices will be subject to a discount of ten percent (10%) if payment is made within fifteen (15) days from the date of the bill, provided there is no bill in arrears.

### NYPA/PASNY CREDIT

Customers served under this tariff are entitled to receive a credit for NYPA/PASNY power delivered to them under a contract with the Massachusetts Department of Public Utilities. NYPA/PASNY power is Federal Preference Power received from hydroelectric projects in upstate New York at below the wholesale market cost of power.

Effective: January 1, 2011
